

## ONLY TEN THOUSAND REMAINS TO BE RAISED

Y. M. C. A. Campaigners Have  
Raised Over Two Thirds of  
Desired Amount.

### INTEREST IS DAILY GROWING

Captains Buxton and West Having  
Lively Bout for First Place, Which  
is Still Held by the Former—Other  
Leaders Say the Battle is Just Be-  
ginning.

Of the \$25,000 which the Young  
Men's Christian Association proposes  
to raise in fifteen days, beginning last  
Friday, only \$9,867.50 remains to be  
subscribed. Although the weather  
conditions yesterday were most un-  
favorable, \$847.50 was reported to  
headquarters last night, bringing the  
total amount subscribed, including the  
Huntington donation, up to \$15,132.50.

Interest in the campaign is growing  
daily and it is now believed that  
the twenty-five thousand mark will  
be reached before the fifteenth day  
rolls around. Mayor Buxton's team  
is making a strong fight for first  
place. Captain Caleb D. West  
and his team are working equal-  
ly as hard to retain the lead. Captain  
W. H. P. Enos's team is in third place  
and promises to give the leaders a  
close run when the reports are turned  
in tonight.

#### Fight Just Beginning.

Several of the captains whose  
teams are now pretty well down in  
the line declare that they are just  
beginning to get their "ducks in a  
row" for the fight and that before  
many more days have passed there  
will be a different story to tell.

Secretary Duncan had the manage-  
ment of the campaign all to himself  
yesterday. State Secretary Coulter  
was called to Lambert's Point to par-  
ticipate in the dedication of the  
Norfolk and Western Railway Y. M.  
C. A. at that place. Mr. Coulter will  
return to the city today and remain  
until the campaign is over.

#### Will Plot and Eat.

This morning Captain West will

criteria in the members of his team  
at breakfast at Hotel Warwick. Just  
what dark plot is to be hatched at  
this breakfast is not known, but it  
is pretty generally understood that  
plans for forging ahead of the Bu-  
xtonites will be under consideration.  
"General" Powell is saying little  
and "sawing wood." He seems to be  
very well pleased with the result of  
the efforts of the young business  
men's committee, which is formed by  
the ten canvassing teams. Chairman  
Willard, of the citizens' committee, al-  
so has reason to be well satisfied, as  
he and his men have secured nearly  
\$1,000 since Friday.

The time of reporting to head-  
quarters has been changed to 7:30  
o'clock in the evening. All of the  
team captains are expected to be at  
headquarters at that hour.

The following table tells the story  
of the campaign in brief:

### ACADEMY TEAM WINS FIRST GAME OF SERIES

Ball Tossers of Hampton High School  
Proved Easy Victims—Girls  
as "Rooters."

In a comparatively well played  
game, the baseball team of the New-  
port News Academy easily defeated the  
nine of the Hampton High school  
at the Casino park yesterday after-  
noon by a score of 9 to 1. Included  
among the two hundred fans in at-  
tendance was a large number of  
young lady pupils of the two institu-  
tions and their strenuous "rooting"  
was a feature of the performance.

This was the first of a series of  
these games between these schools  
for a handsome silver cup offered the  
winner of the series by the Rosen-  
baum Hardware Company, of this  
city. Judging from the showing of

the nine yesterday the Academy  
should win the trophy with ease.

The features of the match was the  
batting of Reynier and Cunningham,  
the all round work of Cunningham in  
the box and an unassisted double play  
by Harry Reynier.

Score by innings:  
Academy ..... 0 3 0 0 0 2 1 3 x—9 6 6  
Hampton ..... 0 1 0 0 0 0 0 0—1 2 9  
Batteries: Cunningham and Sam  
Cottrell; Bentley and Brittingham.  
Umpire—Davis.

### CORPORATION COURT

#### APRIL TERM BEGINS

Few Criminal Cases Have Been Sent  
Up and There May Be No  
Grand Jury.

The Corporation Court convened  
yesterday morning for the April  
term. Judge Barham called his dock-  
et and set a number of cases for  
trial.

Although this is the regular crim-  
inal term of the court, only a few  
felony cases have been sent up from  
the police court and Commonwealth's  
Attorney Robinson said yesterday  
that it was probable that no grand  
jury would be summoned for the  
term.

#### His Dear Old Mother.

"My dear old mother, who is now  
eighty-three years old, thrives on  
Electric Bitters," writes W. B. Brun-  
son, of Dublin, Ga. "She has taken  
them for about two years and enjoys  
an excellent appetite, feels strong  
and sleeps well." That's the way  
Electric Bitters affect the aged, and  
the same happy results follow in all  
cases of female weakness and gen-  
eral debility. Weak, puny children  
too, are greatly strengthened by  
them. Guaranteed also for stomach,  
liver and kidney troubles, by The  
Ideal Pharmacy, 50c.

py and bright—

#### Out of Sight.

"Out of sight, out of mind," is an  
old saying which applies with special  
force to a sore, burn or wound that's  
been treated with Bucklen's Arnica  
Salve. It's out of sight, out of mind  
and out of existence. Piles too and  
chilblains disappear under its healing  
influence. Guaranteed by The Ideal  
Pharmacy, 25c.

## GREEK 'LONGSHOREMEN AFRAID OF STRIKERS

Fifty Men Imported by Merchants  
& Miners Refuse to  
Work.

### RESULT OF ATTACK SUNDAY NIGHT

While Strike-breakers Were Walking  
Beneath Coal Piers They Were  
Fired Upon from Ambush—Police  
Escort Headed by Chief Prevented  
Further Trouble.

Following an attack made upon  
them on the River Road near the  
Chesapeake & Ohio depot Sunday  
evening by the striking negro 'long-  
shoremen of the Old Dominion Steam-  
ship Company and the Merchants and  
Miners Transportation Company, about  
50 Greeks imported here by the  
Merchants & Miners Company to re-  
place the strikers, refused to go to  
work yesterday morning and as a re-  
sult operations at the company's  
wharfage space on Chesapeake &  
Ohio pier No. 6 were at a complete  
standstill all yesterday and last  
night.

The Greeks have made no explana-  
tion of their action to Mr. David R.  
McNeil, local agent for the Merchants  
& Miners Company, and he is at a  
loss to account for their failure to  
report for work. In the opinion of  
some persons who claim to be in  
close touch with the situation the  
Greeks want 60 cents an hour for  
their work while others say that as  
a result of Sunday night's attack the  
Greeks are afraid to continue work.

Mr. McNeil stated yesterday after-  
noon that he would make every pos-  
sible effort to secure additional  
'longshoremen this morning and he  
hopes to have a large force of men  
at work before noon.

Negroes Attack Greeks.  
The attack upon the Greeks  
by the striking negroes Sun-  
day evening came as quite a sur-  
prise. The Greeks were walking up  
River Road from pier No. 6 to a re-  
saurant on Washington avenue near  
Twenty-third street and when they  
were passing under Chesapeake &

Ohio coal pier No. 3 the negroes, who  
were in ambush, fired several revol-  
ver shots and threw lumps of coal  
at them. The Greeks beat a hasty  
retreat up the River Road to Twen-  
ty-third street and all escaped with-  
out injury.

#### Protected by Police.

Upon learning of the attack some  
time afterwards, Mr. McNeil, reported  
it to the police department and Chief  
of Police John W. Reynolds and Pa-  
trolmen Fisher, Padgett and Johnson  
went to the restaurant and escorted  
them back to pier No. 6. The negroes  
did not renew their attack during the  
trip, nor were the Greeks molested  
when they stopped work about mid-  
night Sunday night.

The Old Dominion Steamship Com-  
pany yesterday put a force of about  
25 men at work on their wharfage  
space at pier No. 6 and late last night  
the situation there was somewhat re-  
lieved. The freight aboard the Old  
Dominion liner Jamestown, now at  
Norfolk, consigned for shipment  
through this city, was brought here  
from Norfolk on barges in the after-  
noon and was unloaded and re-loaded  
on cars. The steamer Seneca arrived  
here last night and the work of  
unloading and loading her will begin  
this morning.

This will be the first Old Dominion  
liners that has been worked here  
since the negroes struck last Wed-  
nesday. The steamer Monroe arrived  
here Sunday, but has not yet been  
unloaded.

The officials of both companies are  
as positive as ever in refusing to  
meet the demands of the strikers and  
they expect the strike to be declared  
off in the very near future.

## Growing Girls

Growing girls need care, advice and medicine,  
especially on reaching the age of puberty. A  
mother's tender care and words of caution will  
often accomplish wonders. As for medicine, a  
gentle, safe and reliable strengthening tonic is  
Wine of Cardui.

It will prevent and relieve pain, regulate the  
functions, clear the complexion and strengthen  
the constitution.

It is a valuable medicine for growing girls. It  
has tided thousands over a critical period, and  
saved them from years of suffering. It can never  
do harm and is sure to do good.
